THE WHATSAPP RECEPTIONIST FOR HOTELS IN COSTA RICA

hola.

Guests who don't get an answer
book somewhere else. **hola. answers**
in seconds, in English or Spanish.

NEW BOOKING REQUEST 6:00 a.m. → your WhatsApp

Guest	Emma, honeymoon
Stay	Dec 27 – Jan 2 · 6 nights · 2 adults
Room	Ocean View Suite · from \$490
Extras	Airport transfer from Liberia
Signal	● Hot · answered in 4 seconds

Sample hotel: the summary your team gets at 6 a.m.

11:47 p.m. · Tue

A guest messages three hotels at once and **books with the first one that answers**. The hotel that waits for morning loses them, or gets them through Booking.com and pays the commission. **hola. answers** right away, inside your WhatsApp, and hands your team the booking request by breakfast.

What it does

WHATSAPP · WEBSITE · INSTAGRAM · EMAIL

01

Answers

In seconds, 24/7, in native English and Spanish.

02

Understands the stay

Dates, guests, room, occasion, asked naturally, one question at a time.

03

Sells direct

Moves guests to book direct and offers your extras: transfers, tours, spa.

04

Reports

Every request, ready for reservations, on your phone by 6 a.m.

It never:

invents a rate

confirms availability alone

promises discounts

pretends to be human

FOUNDING PARTNER · ONLY 3 SPOTS

SETUP, ONE TIME

\$2,000 ~~\$4,000~~

We set it up, train it on your information and test it in both languages.

MONTHLY

\$650/mo

Locked for 12 months. **Your first month is free.**

TO GO LIVE

~4 weeks

About four weeks from the first call. Season commitment: December to March.

NEXT STEP

Try it on your own hotel.

A private demo, free and with no commitment. You test it yourself before deciding anything.

01

Send your website

Two minutes on WhatsApp. That's all we need to start.

02

We build your demo

hola. trained on your real rooms, rates and policies, in your hotel's name.

03

Ask it anything

Message it like a guest would. If you like it, we start the four-week build.
